"Friends and Family" is a personal connection between curator Jared Aufrichting and the artists featured in the show. Born in Los Angeles and based in South Africa for half of each year over the past decade, Jared Aufrichting's connections run deep. "Walter Battiss was my grandmother's close friend," Jared reveals, "one of the pieces in the show is inscribed 'to Edith, thank you for my first exhibition.'"

Jared continues to weave this intimate tapestry of relationships, explaining how Max Wolpe attended Ruth Prowse art school with his mother and how his grandmother Edith was friends with Max's father, who owned a gallery. He also notes that Alice Goldin is a relative through marriage, and it was her grandson Blaise Janichon who played a pivotal role in nurturing Jared's relationships with other artists in the show through his gallery, "The Bin."

The core narrative of "Friends and Family" revolves around community and mentorship, two essential elements in the world of art. The exhibition seeks to highlight these connections and emphasize their pivotal role in the creative process.

Among the exhibition's gems are four personal Polaroid photographs, all captured by Jared Aufrichting. These include a collaboration with Roger Ballen, as well as portraits of iconic figures such as Tyler the Creator, DALEAST pictured in his Cape Town studio, and the celebrated Zanele Muholi.

"Friends and Family" is a testament to the power of artistic connections and the enduring impact of mentorship. It invites visitors to embark on a journey through time and craft, celebrating the diverse talents that enrich Cape Town's vibrant art scene.

"Friends and Family" features artworks and anecdotes of renowned talents like Walter Battiss, Roger Ballen, MF DOOM, RETNA, RISK, Zanele Muholi, Angelika Sauer, Shepard Fairey, KRONK, Tyler B Murphy, DALEAST, Stefan Smit, Ryan Shava, MOTELSEVEN, Fhatuwani Mukheli, Samurai Farai, Alice Goldin, James Thomas, Gaia, Max Wolpe, Paul Senyol, Ray Barbee, FAITH 47, and Sam Nhlengethwa.

THE UNBOUND

WE RAISE A WHITE FLAG AS AN ACTUAL CALL FOR CEASE FIRE.
WE ALIGN AS FELLOW CITIZENS OF THE SACRED EARTH.
WE UNDERSTAND THAT THE WELLBEING OF HUMANITY
IS DEEPLY LINKED TO THE LONGEVITY OF THE PLANET.
WE ENCOURAGE PRACTICAL ACTIONS TOWARDS PROTECTING
EARTH AND THE ECOSYSTEMS THAT IT SUSTAINS
WE SEE ALL HUMANS AS EQUAL, REGARDLESS
OF GENDER, SEXUAL ORIENTATION, CULTURE, RACE OR CREED.

WE BELIEVE THAT SUSTENANCE, WATER,
HEALTHCARE, SHELTER AND EDUCATION
ARE BASIC HUMAN RIGHTS.

WE AIM TO ENGAGE IN ECONOMIC SYSTEMS
THAT VALUE PEOPLE OVER PROFIT.

WE DO NOT VIEW WAR AND VIOLENCE AS SOLUTIONS
WE USE TECHNOLOGY TO FIND SOLUTIONS
WORKING WITH NATURAL SYSTEMS.

WE EXIST IN A REALM OF CHAOS AND IRONY.
THUS WE EMBRACE THE PERSISTENCE
& OPTIMISM NEEDED TO ACHIEVE THESE GOALS
